

CALL YOUR OWN PERSONAL CONTACTS!

It is always very powerful when you call friends, family, colleagues, etc. because they have a personal relationship with you and will want to donate because they know you.

Use our memory jogger to get the wheels churning.

We find that the most successful leaders are those who aren't afraid to ask their friends and family for support—they will want to help you because this cause matters to you! Filling out this worksheet will help jog your memory.
