Dear {{INSERT NAME}},

I hope you are doing well.

As you may know, I am connected to Project Extreme.

It's a special organization that saves the lives of Jewish children in crisis.

We're now in the middle of an important fundraising campaign to grow the programming to help even more children struggling with suicidal ideation, substance abuse, and depression.

Would you be willing to make a donation and leave a message on my personal fundraising page?

The link to donate is <https://cmatch.me/extreme>

With appreciation,

WhatsApp Message #2:

I'm taking part in a special fundraising campaign for Project Extreme and I'd love for you to join me.

Unless someone reaches out a hand to help, the troubled souls who come to Project Extreme can cause irreparable damage. To themselves and to others.

This is a very special cause (I wouldn't be sending this for just ANY organization), and I'd like to ask if you would be willing to contribute.

The link to donate is here: <https://cmatch.me/extreme>

Thank you in advance!

Hi {{INSERT NAME}},

Have you heard about the current fundraiser for Project Extreme?

Make no mistake about it: When at-risk children feel like they have nowhere else to turn, they turn to Project Extreme. That's why your gift is so vitally important.

Would you please open your heart and donate? We are so close to our goal, but we won't get there without your help.

We don't have a second to lose.

Thanks,
